The Classroom Song

Transitions between activities are often difficult in most class settings, particularly preschoolers. The Classroom Song is a helpful tool for making these transitions smoother.

Verse 1, The Gathering Verse, invites the children to gather together to worship God.

Verse 2, The Parting Verse, dismisses the children to play time.

Verse 3, Time to Go & Tell Verse, the children into the Go & Tell Craft and to remember that they are in God's hands.

Verse 4, What's Our Good News? asks the children to think about what they will go and tell.

The lyrics and music to the Classroom Song is included in the curriculum resources for each unit. An audio version of the song is also available.
