**2. What's the best way to decide what to use for my church?**

**The best way to decide what to use is to first think about:**

- **What your children are learning now?**
- **What does your pastor/elders/deacons want your children to learn?**
- **What is working in your present program and what is not?**
- **Do you want to simply enrich your current programs or want to make significant change**

If you want to simply enrich your current programs, you will probably want to examine the activities

If, on the other hand, you are not ready to make changes about switching curriculums entirely. In th

### 3. What kind of printer/copier do you recommend to print out the curriculum

If you can get your hands on a duplex printer or copier, it will make your life a lot easier! This is because

### 4. Do I have to print out everything in color

No!!!!!! Though all of the curriculum is produced in color, usually just the craft and flannelgraph really ne

### 5. Do you have any resources that I can use to enrich our current programs without changing to

The songs and the games using Praise Factory Resources and Other Curricula suggest stories
