

K-5th grade

The Praise Factory is a six year, multi-age children's systematic theology curriculum for elementary school

Special Kindergarten Format

Why a Special Format for Kindergarteners?

Kindergarteners undergo a huge transition as they first enter the structured environment of elementary school.

Many kindergarteners do just fine with only doing one activity per small group session. Many do fine with

Act-It-Out Activity instead of the Regular Drama Group

Instead of having each child assume a separate part as in the regular Drama Group, the Act-It-Out Activity

Multiple Activities in One Small Group Session instead of Just One

Instead of doing just one activity per small group time, two groups of two activities (called Group 1 and Group 2)

Other Changes to Note

You may also note that the Hymns group and Crafts group have been omitted. We have chosen for the

You will also note that only some of the full range of Praise Factory games are used in the Kindergarten
